

TECHNICAL DATA SHEET

WORHNER

ELD-65-08-5

electric damped

PRODUCT PHOTO

Performance Data

Propelling force, max.	420 N
------------------------	-------

Technical Specifications

Initialization time	6 s
---------------------	-----

Interface and Indicators

LED color for 'open' indication	yellow
---------------------------------	--------

Wiring and Connections

Sensor connector pin assignment (PIN 2)	closed
Sensor connector pin assignment (PIN 3)	not used
Sensor connector pin assignment (PIN 5)	Function ground
