TECHNICAL DATA SHEET

Euroswitch

506 NC

thermostat

PRODUCT PHOTO

Technical Specifications

Temperature setting	**60°C**
Thread size	**3/8"**
Protection degree	**IP65**
Connector code	**39002**
Differential	**7 / 13 K**
Intervention tolerance	**+/- 5K**

Physical Characteristics

Hex size	**24 mm**
Weight	**~ 50gr**

Electrical Specifications

Contact type	**N.C.**
Connection	**Faston male 6.3 x 0.8 and grounding**
Snap action contact	**Yes**

Installation

Tightening torque	**25 Nm / 40 Nm max**

Reliability

Number of cycles	**100.000**
Number of cycles/minute	**max 5**
