TECHNICAL DATA SHEET

GALVI

RMV.160.160

BUFFER

PRODUCT PHOTO

Physical Properties

Weight	**2,95 kg**
Dimensions	**160*160**
Shape Design	**Cylindrical**

Material and Construction

Material	**Polyurethane rubber**
Internal Structure	**Solid structure**

Operating Conditions

Temperature	**-20-80**

Installation

Mounting Method	**Bolt fixing**

Performance Characteristics

Weather Resistance	**Ozone aging resistance**
Corrosion Resistance	**Acid and alkali resistant**
Dust and Water Protection	**IP65**
