TECHNICAL DATA SHEET

AZBIL

2B/AGVB

Actuator

General Information	
Valve Type	**Electric top guided single seated control valve**
Model Series	**AGVB_ _ _ / AGVM_ _ _**

Performance Data	
Pressure Rating (Model AGVB)	**ANSI/JPI 150, JIS10K**
Leakage Performance Classes	**Class IV, VI**

Physical Characteristics	
End Connection Types	**Flanged : RF, FF; Welded : SW, BW**

Materials of Construction	
Body Material Options	**Carbon steel, Stainless steel**
Trim Material Options	**440CSS, 316SS, 316SS with CoCr-A, 316LSS, 316LSS with CoCr-A**

Application & Features	
Application Examples	**flow control of saturated vapor, cold and hot water, etc.**

Electrical Specifications	
Protection Rating Equivalent	**NEMA4X, IP65**
