TECHNICAL DATA SHEET

LOWARA

SVI 405/24S11T/D

PUMP

Technical Specifications	
Stages	**24**
Number of Impellers	**5**

Electrical Data	
Power	**1,1 kW**

Dimensions and Weights	
Weight	**59.5 lb**
Weight	**27 kg**
Suction Head Length	**656 mm**

Applications	
Application	**Water treatment, water supply, boiler feed, food & beverage industries**

Hydraulic Performance	
Flow	**67 l/min**
Flow	**4 m³/h**

Materials	
Material	**Impellers,diffusers - Stainless Steeel , motor adaptor and delivery port - Cast iron**
