TECHNICAL DATA SHEET

EBRO ARMATUREN

4176648

switch SBU-M203-K211-M01

Construction	
Housing Material	**Aluminium (powder coated)**
Screws	**Stainless steel A4**

Electrical	
Type of connection	**Colour-coded, double-pole spring-loaded terminals 2.5mm2**
Contact rating	**Potential-free 230V AC, 3A**

Environmental	
Protection class	**IP 65, IP 67 and IP 68 (without solenoid valve plug)**
Temperature range	**-20°C to +70°C**

Performance	
Adjustment range	**To 189°**

Configuration	
Number of solenoid valve connections	**1**
Number of micro switches	**2**
