TECHNICAL DATA SHEET

SIEMENS

3RT2027-1NF30

PRODUCT PHOTO

General Information

Product brand name	**SIRIUS**
Product designation	**Power contactor**
Product type designation	**3RT2**

Electrical Data

Utilization category	**AC-3e/AC-3**

Control Circuit

Control supply voltage	**95-130 V AC/DC**
Surge suppressor	**with integrated varistor**
Inrush current peak	**15 A**

Construction

Auxiliary contacts	**1 NO + 1 NC**
Terminal type	**screw terminal**
Size	**S0**

Environmental Conditions

Protection class IP / on the front	**IP20**
Ambient temperature during storage	**-55 … +80 °C**
Ambient temperature during operating	**-25 … +60 °C**
Installation altitude maximum	**2,000 m**

TECHNICAL DATA SHEET

SIEMENS

3RT2027-1NF30

Insulation Data

Impulse voltage resistance rated value	**6 kV**
Insulation voltage rated value	**690 V**
