TECHNICAL DATA SHEET

# SIEMENS

5ST3768

CONNECTION TERMINAL

## PRODUCT PHOTO

## General Information

| | |
|---|---|
| Product brand name | **SENTRON** |
| Product designation | **Busbar systems** |
| Design of the product | **Accessories** |

## Electrical Data

| | |
|---|---|
| Operating voltage at AC rated value | **690 V** |

## Mechanical Data

| | |
|---|---|
| Tightening torque minimum | **1 N·m** |
| Tightening torque maximum | **2 N·m** |

## Connections

| | |
|---|---|
| Type of connectable conductor cross-sections for copper | **6 - 25 mm²** |

## Dimensions

| | |
|---|---|
| Height | **17.7 mm** |
| Width | **17.5 mm** |
| Depth | **13 mm** |
| Length | **26.5 mm** |

## Physical Properties

| | |
|---|---|
| Net Weight | **13 g** |
