BUTTERFLY VALVE; NOMINAL SIZE: 6 IN; FLUIDS: WATER; MOUNTING TYPE: LUG; DISC MATERIAL: STAINLESS STEEL; OPERATION TYPE: ACTUATOR; BODY MATERIAL: CARBON STEEL; SEAT MATERIAL: RTFE; HIGH PERFORMANCE BUTTERFLY VALVE, BRAY SERIES 41 TRIM 466, 6 IN; BODY: CARBON STEEL; DISC: AISI 316 STAINLESS STEEL; STEM: 17-4 STAINLESS STEEL; SEAT: RTFE; ENDS: ANSI 150 LUG; WITH BRAY DOUBLE ACTING PNEUMATIC ACTUATOR, MODEL 93; MANUFACTURER 1: BRAY; PART NUMBER 1: SERIES 41 TRIM 466

## PRODUCT PHOTO

## General Specifications

|              |      |
|--------------|------|
| Nominal Size | 6 IN |
|--------------|------|

## Application

|        |       |
|--------|-------|
| Fluids | WATER |
|--------|-------|

## Connection

|               |          |
|---------------|----------|
| Mounting Type | LUG      |
| Ends Rating   | ANSI 150 |

## Actuation

|                |          |
|----------------|----------|
| Operation Type | ACTUATOR |
| Actuator Model | 93       |

## Materials

|               |                          |
|---------------|--------------------------|
| Body Material | CARBON STEEL             |
| Disc Material | AISI 316 STAINLESS STEEL |
| Stem Material | 17-4 STAINLESS STEEL     |
| Seat Material | RTFE                     |
